Explanatory Notes

This is an International General Certificate of Secondary Education (IGCSE) and General Certificate of Education Ordinary Level (GCE O Level) Statement of Results. Cambridge Assessment International Education reserves the right to amend the information on this statement. Results will be confirmed by the issue of a certificate.

IGCSE results are reported on an 8-point scale of grades: A*(a*), A(a), B(b), C(c), D(d), E(e), F(f) or G(g), grade A*(a*) being the highest and grade G(g) the lowest. UNGRADED indicates a standard below that required for grade G(g).

GCE O Level results are reported on an 8-point scale of grades: ONE A*(a*), TWO A(a), THREE B(b), FOUR B(b), FIVE C(c), SIX C(c), SEVEN D(d) or EIGHT E(e), grade ONE A*(a*) being the highest and grade EIGHT E(e) the lowest. UNGRADED indicates a standard below that required for grade EIGHT E(e).

NO RESULT indicates that a result cannot be issued because of absence for the whole or part of the examination in the syllabus or because of a decision not to issue a result for some other reason.

PENDING indicates that a result cannot be issued at present but will follow in due course.

In some IGCSE syllabuses, Oral/Aural (Speaking & Listening) communication is reported separately on a 5-point numerical scale, grade 1(ONE) being the highest and grade 5(FIVE) the lowest. Candidates who fail to reach the minimum standard for grade 5(FIVE) will not receive an Oral/Aural (Speaking & Listening) communication endorsement. The endorsement grade for Oral/Aural (Speaking & Listening) communication will be reported on IGCSE certificates provided the overall IGCSE syllabus result is grade G(g) or higher. For English as a Second Language 0510 the Oral/Aural is compulsory and is reported separately. For English as a Second Language 0511 the Oral/Aural is compulsory but is not reported separately.

Results in GCE O Level Oral Tests are reported as passed or failed in the Oral Test. A statement indicating that a candidate has passed the Oral Test will be reported on GCE certificates provided the overall GCE O Level syllabus result is grade EIGHT E(e) or higher.

The Percentage Uniform Mark for IGCSE and GCE O Level is provided in addition to the grade for a syllabus. The Percentage Uniform Mark is not the total mark achieved for the syllabus. It is a common scale for all syllabuses to show whether the candidate's performance is close to the top, bottom or middle of the grade. A Percentage Uniform Mark is not provided where the candidate's result is Ungraded, No Result or Pending.

Only grades A*(a*) to G(g) achieved in IGCSE syllabuses will be reported on the certificate.

Only grades ONE A*(a*) to EIGHT E(e) achieved in GCE O Level syllabuses will be reported on the certificate.
